

INFORMATION ABOUT RECYCLING AT HDI:

HDI is located at 5330 Fleming Court, Suite 100.
HDI accepts materials from 7am–3pm Monday–Friday.

Directions: take Mopac south to 360 south to 71 east, take 71 east to Burleson Road exit, take Burleson east to Promontory Point Road and take a right, then a left on Caven, and a left on Fleming. Drive straight to the end of the street, through the gate and all the way to the back and left to the rear of the building. Park near the first ramp on the left and take styrofoam up the ramp and place it in the blue bins inside the building against the wall.

All materials must be clean, dry, and free of metals and other contaminants. HDI takes: EPS foam (styrofoam) – they do not want "peanuts" but ask that you take them to a shipping store like FedEx, LDPE #4 foam. They also take plastic bags (which can be recycled at HEB) and plastic bottles and flowerpots (both of which can go in your curbside container).
